

OCEAN COUNTY COUNCIL PTA
BOARD OF MANAGERS APPLICATION

Your county board is in dire need of help! Right now we are an organization of ten, trying to help forty local units. We believe we offer you our best, but it is becoming increasingly difficult. We know that each local has it's own troubles recruiting new members, but we were wondering if any of you would care to help us to help you. We have eight meetings during the year in addition to the three general membership dinner/meetings. We could use assistance on any of our standing committees. We have difficulty filling officers' positions because, according to our by-laws, members must belong to the board of managers before they are eligible to hold an office.

Below is a simple form you can mail that will serve as your resume for application to serve on the Ocean County Council PTA Board of Managers. Please send it to: Candy Fredericks, 64 Sunset Rd., Brick, N.J. 08723. We hope some of you will offer your assistance. Thank you!
