

Procedures and Bylaws

Presidents and Members:

As we get ready for the New PTA year; I hope that the committees have met and put together the budgets and any other items to let the members approve what has been decided to make the year in PTA productive.

1. Re: 1 .Programs for the year.
2. Fundraisers
3. Bylaws up to-date. Need review every Three years.
(Changes can be made by members with amendments at anytime.)
4. Letter to invite ALL Parents to the first meeting.

Presidents Packs from state will only be sent to PTA locals in good standing. This means that last years President made sure that:

1. All names of officers needed at state and county were sent in.
2. Bylaws were up to date.
3. Audit reports were sent in

All membership cards and dues were accounted for and any left over cards were sent to STATE.

Hopefully these were all taken care of, and you then will receive your Presidents Pack and Membership cards.

PLEASE COUNT the cards, to be sure the number sent is what you receive.

This year I would like to suggest that all locals review their bylaws with their members at all meetings. The more members that know the bylaws (voted on by them) the easier the work will be.

Encourage people to “GET INVOLVED” Make them feel WELCOMED.
